Reduce your Carbon Footprint

If you would like to offset part of the Carbon Emissions used on your holiday, we invite you to make a donation to Worcestershire Wildlife Trust towards their environmental projects. (We suggest £5 per booking)

Plus we will match your £5 donation.

Please tick the Carbon Offset Donation box when booking online or add your donation to your booking form.

The Worcestershire Wildlife Trust is a wildlife charity dealing with Conservation Issues, Consultancy, and Education

Hidelow House Cottages are members of the Green Tourism Business Scheme (GTBS) and are working with both GTBS and Premier Cottages to assist in the roll out of this scheme nationally. GTBS really does help businesses run better, providing an understanding of where environmental options can enhance customers' holidays.

Thank you,
Pauline and Stuart Diplock
